

Exterior Mount Key Box

Key Box ensures key is always with bike locker.
No more lost keys. No more re-keying of locks.

Lock option for:

ProPark Bike Lockers

EcoPark Bike Lockers

EASE OF USE

- Cyclist doesn't need to remember to carry keys
- Manually programmable code box

SECURITY

- Key box is securely mounted to locker
- Multi-digit codes create thousands of possible lock codes

CONVENIENCE

- No more lost keys; key is always with unit
- Integrated key box cover protects key box from weather and damage.

For use with T-handle, Master T-handle, and other keyed locking options.
