

# Keyed T-Handle Master Key T-Handle

Easy-to-use, hard-to-defeat T-handle lock and five-point stainless steel latch bar keeps bikes secure and gives bike owners peace of mind.

Lock option for:

*ProPark Bike Locker Part #10701*

*EcoPark Bike Locker Part #19525*

## EASE OF USE

- User-friendly, intuitive
- Replaceable lock cylinders

## SECURITY

- Recessed T-handle prevents effective attack
- Five-point, full-length latch bar
- Unable to defeat lock with bolt cutters
- No exposed hinges

### Standard Keyed T-Handle: ProPark 10701/EcoPark 19525.

T-Handle removable plug lock to Abloy® Exec Series Maximum Security vending cylinder lockset (UL 437 rated) with factory restricted keys, w/3 keys provided, keyed different. Disc tumbler cylinder contains few moving parts and offers picking and environmental resistance. The steel bolt provides maximum resistance against attack by pulling. Nickel-silver key with heavy duty polymer key bow.

### Master Key Option: ProPark 19530/EcoPark 10707.

Abloy's® unique rotating disk locking mechanism provides master-keying possibilities and superior resistance to corrosion, manipulation and attack.

Simple. Strong. Secure.
